

## Brighton & Hove

Brighton & Hove is a lively seaside city on the sunny south coast of England. As a city with two universities, Brighton & Hove has all the amenities expected of a thriving cosmopolitan community – theatres, cinemas, museums, art galleries and leisure facilities.

The city also has a superb variety of shops and restaurants. It is ideally placed to enjoy some of the most beautiful countryside in the south of England and for those who want to venture further afield, the limitless attractions of London are less than an hour away.
