3. General Refund Policy

All refunds will be sent to the account of the Embassy representative to whom the fees were originally paid, or to the individual from whom Embassy has received the original direct payment. If a student's visa application is rejected after payment has been received all fees, excluding any cancellation fees detailed in the Cancellation Policy below, will be refunded within 28 days, provided a visa refusal letter is received by our International Admissions Centre at least two working days before the course is due to start and the student has fulfilled all requirements for a visa application. Students in San Diego and Los Angeles must sign a California State Enrolment & Refund Agreement form. Refunds will be processed according to these terms and conditions. In the unlikely event that the school is unable to deliver a course in full, the student will be offered the refund amount in accordance with the above paragraph. You can either purchase StudyCare insurance as part of your application process, or students not wishing to take StudyCare must present an equivalent insurance certificate at enrolment (translated in English). Any medical costs (including transportation and prescription medication) are the responsibility of the individual. Full details of what StudyCare Insurance includes can be found on our website. Embassy is committed to safeguarding and protecting children in its care from harm (these children are defined as any person under 18 years old enrolled on any given part of an Embassy course). Embassy will apply this policy equally to all children regardless of gender, ethnicity, disability, sexuality or belief. The department expects all staff, agents and external service providers to share this commitment in order to create and maintain a safe and suitable summer school environment.

12. Student Discipline

Our general discipline procedure in cases of misbehaviour is as follows: in the first instance a student will be given a verbal warning. If this incident is repeated then the student can receive additional sanctions such as detention or removal from activities. Should a student continue to misbehave a written warning is issued. Once a written warning has been issued, Embassy will contact the agent or guardian as soon as possible, allowing differences in time zones. Any student who has been issued with a written warning will be made fully aware that any further incidents will result in removal from the centre.

Embassy reserves the right to terminate the programme of any person or group whose behaviour is likely to cause distress, damage or danger to other participants, Embassy employees or anyone else. Embassy reserves the right to terminate the programme of any person or group whose behaviour is contrary to applicable local laws. This behaviour includes but is not limited to: under-age purchase or consumption of alcohol, possession of illegal substances, damage to property, threatening or violent behaviour.

Student or group leaders who disregard the rules laid down outlined by our staff may be expelled. Embassy will not be liable for any costs incurred in this process. No refunds will be made for any programme missed as a result of such termination.

14. Resolution of Disputes

If a student, agent or their representative wishes to complain about any aspect of the services provided by Embassy, such a complaint should be made in writing to the Centre Manager. If not resolved, this should be addressed to the Embassy Head Office. Each complaint will be fully investigated provided that it is received within a month of the course ending, it was initially registered in writing with an on-site representative or Centre Manager and all fees have been paid in full.

The student (and, where applicable, his or her parent or guardian): (i) agrees that the student's photographs, videos, artwork or other works, as well as recorded or written testimonials and details of the student's achievements ("Student Images and Testimonials") may be used by Study Group, or by a third party agent of Study Group, worldwide for promotional purposes including in its printed and online marketing materials and on any social media network without further consent or notification; and (ii) gives consent to Study Group storing, or transferring across international borders, copies of the Student Images and Testimonials for such purposes.

16. Data Protection

Any information provided to Embassy may be held on computer and shall be used in accordance with its data protection registration and the national data protection laws applicable. Our Privacy Policy is available on the Embassy website.

In the USA, guardians or parents are requested to send money through Western Union wire transfer services; sending parties will be responsible for any fees paid directly to Western Union. Students will be required to present proper identification, confirmation number and amount to be received, before any funds are disbursed by Western Union.

18. Force Majeure
