Our Programme

Whatever your age, junior or adult, Embassy Summer offers a programme for you.

The right programme for you

The programmes vary according to the location and age range of the students in each centre, but there are common elements throughout all of the centres.

Homestay option

Our Homestay programmes differ slightly from the residential programmes in that a minimum of three evening activities per week are offered. You also have the opportunity to spend Sundays with your host family.

English language classes

Our English language classes are of a maximum of 15 students, and are designed specifically for students taking part in short-term language courses. You are encouraged to improve your existing knowledge of English by maximising your spoken and listening work.

Included in the price

- 20 English language lessons per week (50 minutes per lesson*)
- Multinational classes
- Maximum class size of 15 students
- Full board residential or Homestay accommodation (hot lunch in college, packed lunch at the weekends)
- Full excursion and activity programme (including one full-day and minimum one half-day trip per week)
- Learning materials (on loan)
- End of course report and certificate
- 24-hour emergency assistance

*45 minutes in the UK

Classes use modern technology to enhance lessons

Speak Out Lectures

Although the focus of our English classes is to improve the students' speaking skills and to increase interaction and classroom participation, we do understand that many of our students will go on to further education and that this may be conducted in English. We therefore run a series of lively lectures as an alternative to some of the sports and arts options on our activity programme. These allow the students to practice the note-taking and listening skills that are necessary in an academic environment.

Led by members of staff and focusing on culture and local places of interest, these Speak Out Lectures are always followed by a debate that enables students to join in.

Great activities

We carefully select excursion destinations to many well-known towns and cities. With activities including volleyball, treasure hunts, discos and talent nights, to name but a few, the Embassy Summer programmes will keep you busy all day, from breakfast through to bedtime.

Your

Welfare

At Embassy Summer, we take the care of our students very seriously.

Arrival in the country

Embassy Summer provides a meet and greet service for all students who have requested a transfer to the centre. All students under the age of 18 travelling to or from a centre must be accompanied by an adult. Embassy Summer will arrange for these students to be met on arrival in the country and taken to their accommodation. For students aged 18 or over, or those students travelling with a parent or guardian, we will provide information and directions to the centre.

Help during your stay

On arrival at the centre, students will be welcomed by our staff and will receive a full induction to enable them to settle in quickly and enjoy their stay with us.

All students are issued with an ID Card during their stay, for which they should bring a passport photograph. This ID card should be kept on their person at all times and will contain not only the address of the centre, but important telephone numbers should they require assistance. Students with enquiries or problems should speak to our staff at the centre who will do all they can to help. In addition, we provide a 24-hour emergency telephone service during the summer.

StudyCare insurance

It is essential that all students travelling abroad have adequate insurance in case of medical or other emergency. Embassy offers a comprehensive insurance policy called StudyCare which is specifically designed to meet the needs of international students. Please contact us for more details of this policy.

Medical conditions

For the safety of all students and so that we may provide proper care, it is imperative that students make us fully aware of any medical or psychiatric conditions that are being treated. We reserve the right to refuse enrolments from students we feel will not be able to participate fully in our programmes. Students who do not notify us of a condition may be excluded from the programme.

Student welfare is paramount

We offer a high standard of care and supervision to our students. All of our centres have a nominated welfare person who is responsible for ensuring that our students remain happy and healthy throughout their stay. We also have a guardian system for our individual students in our junior centres. In addition, there are on-site first aiders and established links with local doctors, dentists and hospitals for any first aid issues that may arise.

All students under the age of 18* should be aware that for all parts of their programme (lessons and activities) attendance is compulsory and students under 18 will not be allowed to leave the centre unaccompanied at any time.

*Please note that this does not apply in our adult centres (16+)

StudyCare Insurance is specifically designed to meet the needs of our international students.

HOW TO BOOK

YOUR LOCAL AGENT

We recommend that you book your course through one of the many Embassy Summer agents around the world. They have the information, knowledge and experience to answer your questions and help you make the right choice. They are also a useful contact point for you before you leave home.

If you would like us to help you find your local agent, please contact us. Alternatively, you can book directly through our website.

CONFIRMATION OF ENROLMENT

We will process the booking and confirm your enrolment in writing to you, or your agent, and send you all the information you need.

Homestay students will normally receive details of their accommodation one to two weeks before arrival.

SPECIAL REQUESTS

Students, or their agents, are welcome to make special requests regarding their programme or accommodation. Whilst every effort will be made to fulfil these requests, Embassy Summer cannot

guarantee to be able to comply with every request, and such requests cannot be made a pre-condition of a booking with Embassy Summer.

PAYMENT

You should make your payment to your agent or, if booking directly, by bank transfer direct to Embassy. Full details are included on the application form attached to this brochure. All payment must be received 14 days before students arrive. Transfers, accommodation or tuition will not be provided unless, full payment has been received.

All bookings are made subject to our Terms and Conditions of booking.

EXTRA INFORMATION

START DATES

All courses start on Sunday with the academic programme commencing on Monday (except where indicated). Students should therefore normally arrive on Sunday. Students or groups who join international programmes midweek may not be able to be integrated into international classes until the following Monday. Tailor-made programmes for closed groups can start on any day of the week.

LESSONS

In some centres lessons may take place either in the morning or afternoon and will normally alternate weekly. This means that students having lessons in the afternoon one week will normally have morning lessons the following week.

AGE LIMITS

There is a minimum and maximum age limit for some of the Embassy Summer schools, as indicated in the brochure. Students below the minimum age for a centre will only be accepted onto the

programme in exceptional circumstances. They must be accompanied by an adult leader who will take full responsibility for their safety and welfare, and they may not be included in classes unless there is a suitable class for them. In all cases, Embassy reserves the right to reject applications from students under the minimum age for a centre or over the stated range.

EMBASSY ICT

Technology plays an increasingly important part in modern education and here at Embassy we endeavour to be market leaders in this field (as reflected by our Language Travel Magazine Star Award 2008 for Innovation of the Year). Many of the summer centres we use have classrooms equipped with data projectors, computers and, in some cases, interactive white-boards. This enables us to include video, flipcharts and CD-ROMs into the lesson.

TRINITY EXAMINATION*

We are pleased to offer students travelling to the UK the Trinity Examination in

Spoken English at all of our centres. The cost for 2010 will be £58 per student for levels 1-6 and £78 for levels 7-12. This cost does not include preparation classes, however we can offer these at an additional cost of £20 per student for a total of four hours whilst at the centre. These classes will be run as group classes. Please note that the Trinity Examination is subject to a minimum number of 12 participants, and we are happy to advise you if that number has been reached at your specific location.

All Trinity Examination bookings must be submitted by 1st June 2010.

Embassy reserves the right to terminate the programme of any person or group whose behaviour is likely in our opinion to cause distress, damage or danger to other participants, Embassy employees or anyone else. Students or group leaders who disregard the rules laid down by our staff may be sent home.

Embassy will not be liable for any costs incurred in repatriating a person or group to their country of origin. No refund will be made for any programme missed as a result of such termination. No discussion will be entered into once this has occurred. We reserve the right to exclude any person from our programmes without explanation.

8. Our Student Discipline Procedure

Our general discipline procedure in cases of misbehaviour is as follows: In the first instance a student will be given a verbal warning. If the incident is repeated then a student can immediately be issued with a written warning, the second stage of our discipline procedure. Once a written warning has been issued, Embassy will contact the agent as soon as possible, allowing differences in time zones.

Any student who has been issued with a written warning will be made fully aware that any further incidents, will result in removal from the centre.

9. Resolution of disputes

If a student, group leader or agent wishes to complain about any aspect of the services provided by Embassy, such complaint must initially be made to the company or Centre Manager or representative on site. Unless there is a valid reason why this is not possible, we will not consider ourselves liable for any complaint not made at the time. In the event that the matter is not resolved, the student or group leader or agent should make a complaint in writing to the Embassy head office. Such complaints will be investigated in full providing that:

- The complaint is received within one month of the termination of the course.
- The complaint was initially registered in writing with an on-site representative or Centre Manager.
- All invoices relating to the student making the complaint have been settled in full.
