- We can arrange internships in marketing, administration, tourism, fashion, engineering, computing, charities, media resources and other areas
- The work you do will depend on your level of education and qualifications, your skills and experience as well as your level of English
- Job specifications and workloads vary, but you can expect to have your own responsibilities and perhaps your own project

We offer a wide range of carefully selected accommodation to suit your individual budget and needs. Our accommodation staff regularly inspect all our accommodation to ensure that it is clean, comfortable and a friendly, pleasant place for our students to stay.

All our accommodation is:

- Centrally located – uniquely for a London school, all of our accommodation is located in zones 1, 2 and 3 within 10-45 minutes travelling distance of our schools. There are 6 travel zones in London
- In good areas close to underground and mainline train stations and bus routes
- Good value for money – London can be an expensive place to stay and we have negotiated special lower accommodation prices for our students

Accommodation booking dates

Accommodation is booked from a Saturday to a Saturday or a Sunday to a Sunday. 1 week is 7 nights. Outside of the busy summer period, we may be able to book extra nights, but you need to check this with us.

Arrival times

It is not always possible to arrive at accommodation before 07.00 or after 22.00. Please check with us before making travel arrangements.

“My hosts live in a lovely house and it is easy to get to the school – they are very kind and helpful and always help me with my English, correcting me and talking with me every day.”

Margarita Pahlevanyan, Armenia

These are the areas where we have most of our homestays – in zones 1, 2 and 3.

The best way to develop your conversational English skills

You can enjoy the comforts of a private home and immerse yourself in English life and culture. It is also the most cost-effective way of staying in London, with home cooking, pleasant conversation and comfortable surroundings.

Frances King homestay hosts...

- Welcome you and make you feel at home
- Respect your cultural background
- Encourage you to speak English
- Provide a clean and comfortable room with a desk for private study
- Clean your room and provide a change of bed linen weekly
- Do some of your laundry or allow you to use their laundry facilities
- Provide a balanced diet if you choose to take meals
- Provide you with your own house key

Convenient locations

All our standard and superior homestays are in good residential areas of central London in zones 1, 2 and 3, within easy reach of our schools by underground, bus or mainline train. Our executive homestays are in zones 1 or 2 all year. London is a large city so you must expect to spend at least 20-45 minutes each day travelling between your homestay and Frances King. Your host will explain the best way to travel to the school and help you to buy a Travel Card.

A choice of meal plans

- Private home – no meals, but use of kitchen
 - Standard and superior – choose from breakfast only OR 4 dinner plan (breakfast daily and dinner from Monday-Thursday) OR half board (breakfast and dinner daily)
 - Executive – choose from breakfast only OR 3 dinner plan (breakfast daily and dinner on 3 evenings per week, arranged with homestay hosts)
- Use of kitchen is only available in Private Home accommodation (A1).

Internet and telephone

Internet access (WIFI) via your own laptop is possible in some homestays and students need to request this at the time of booking. Not all families have Internet access (WIFI) – we will do our best to arrange this for you. Students can receive incoming calls on the homestay telephone.

Other students

There may be other students in a homestay, but no more than four in total. Two people may book together but otherwise there will be no other students who speak your language. There may be more than four students in private home accommodation.

We may place students, with their agreement, in different summer residences of a similar quality, when the residences above (A30-A37) are not available.

We offer weekend excursions outside London, either day trips or weekends away. These are organised by our partner tour company. In the mornings there is a guided tour of the destination and in the afternoons you are free to explore.

Some of the destinations in the United Kingdom are shown below. In addition, weekend stays in Amsterdam and Paris are available.

Social Programme

Discover the diverse culture and entertainment of London and Britain. Every month there is a new programme of sightseeing, cultural and leisure activities and you can join as many activities as you like. We include:

- Visits to some of London's leading attractions such as St Paul's Cathedral, the Tower of London, the BBC Television Centre and Parliament
- Weekly guided walks in interesting parts of London
- Entertaining learning events such as pronunciation games, essay writing, photography competitions and the CV clinic
- Sports activities such as football, baseball, ice-skating and bowling
- Social clubs to help you meet others with similar interests – the Film Club, the Poker Club and the Chess Club
- Visits to pubs and restaurants and school parties
- Day trips in London to Greenwich, Hampton Court and river Thames boat trips

The social programme will help you get to know other students and members of staff and practise and extend your social English.

Social programme events mainly take place in the afternoons, evenings and weekends. There is something to do nearly everyday. There are more events in July and August. Students who wish to participate in afternoon events are advised to choose a morning course. Students who choose an afternoon course can participate in evening and weekend events.
