LSC SUMMER SCHOOL LEVELS

Beginner

This level covers vocabulary such as numbers, places, family, jobs, times, sports, interests and hobbies, food and drink. It introduces grammar for initial communication. Students learn to introduce themselves, ask questions, give a description, order food in a restaurant, and talk about their likes and dislikes.

Elementary

This level builds on vocabulary, revising and developing grammar for more sophisticated interaction. Students learn to communicate on a variety of topics: asking for and giving directions, making suggestions, talking about free-time activities, describing feelings.

Intermediate

Students learn techniques to increase their vocabulary while grammatical concepts are revised and reinforced. Skills and functions include: talking about the weather, giving advice, talking about ability, expressing obligation and necessity.

Upper - Intermediate

Students learn how to refine and develop vocabulary topics and areas of grammatical competency. Functions include: asking for and giving personal information, making future predictions, giving instructions, talking about character and emotions, discussing hypothetical situations.

Advanced

At this level students take an active role in discovering which areas of language they need to work on and improve, and to learn ways of doing this effectively. Particular areas include: collocations, phrasal verbs, proverbs, idioms, verbs with dependent prepositions.

Accommodation

Students can choose to live with other students in a Hall of Residence or with a friendly Host Family. For your child's safety all accommodation providers have undergone strict checks by the police.

Halls of Residence: The best option for mixing with other students and especially recommended for those coming with friends

or as a group. Rooms are shared with other students. For the safety and happiness of your child an LSC Welfare Officer will be in the residence at all times.

Host Families: Students live in a local home as one of the family, staying in single or twin rooms. Breakfast and evening meals are provided in the home.
