WHAT DO OUR STUDENTS THINK ...

I needed to pass IELTS to go to university. I chose LMC because they have a good price and I passed my IELTS with a grade 6.5. Just what I needed!

Humberto, Mexico

I enjoyed my classes at LMC. There were students from all over the world and the staff are friendly. I studied IELTS and passed with grade 5.5.

Marie-Aline, France

WHY STUDY IELTS?

IELTS is accepted by more than 6000 organisations worldwide. These include universities, immigration departments, government agencies, professional bodies and multinational companies.

IELTS has two versions – Academic and General Training. The Academic test is for those who want to study at a tertiary level in an English-speaking country. The General Training test is for those who want to do work experience or training programs, secondary school or migrate to an English-speaking country. All candidates take the same Listening and Speaking tests but different Reading and Writing tests. We offer preparation for Academic test.
