

your simple guide to funding

EU Funding – Socrates & Comenius

If you are a teacher in Europe you can apply for a grant of up to 1500 Euros to attend any one of our 2-week training courses in the UK. The grant is awarded under the Comenius 2.2 initiative to cover tuition, accommodation and travel.

To take advantage of this opportunity, simply send us a completed enrolment form ticking the box marked "Comenius". We will then send you a pre-registration

confirmation and provide you with contact details of the National Agency you should contact for funding – it couldn't be easier.

Once your national agency confirms that your grant has been awarded you simply let us know and we will confirm your attendance.
