SEASIDE LOCATION

Ramsgate is located in the South East of England in the county of Kent – 'the Garden of England' – famous for its apple and cherry orchards, green fields and pleasant rolling hills. It is on the coast in an area known as 'the Isle of Thanet', famous for its 26 miles of golden sandy beaches and rich history dating back to pre-Roman times.

This picturesque seaside town has many fine old buildings and the colourful Royal Harbour. The area around the pretty yachting marina is lined with pavement cafes, bars and smart restaurants, whilst the pedestrianised town shopping centre is two minutes' walk away. With a range of sports facilities in the town and surrounding area Ramsgate has a great deal to offer. Relatively small, peaceful and safe, it has a relaxed atmosphere and is an ideal centre for the serious student to study. The absence of any other language schools means that our foreign guests are treated as friends.

SITUATION AND FACILITIES

Churchill House is located in a quiet residential area less than 10 minutes walk from the town centre. It is set in Spencer Square, an attractive 19th century square boasting some of the town's most beautiful architecture and overlooking tennis courts and the sea. Across the square are the two main classroom buildings of the school; the spacious, modern Executive Centre, and the Paragon Building. All classrooms are designed to maximise enjoyment and effectiveness of the lessons. The Paragon overlooks the sea and the harbour and in addition to its many classrooms, houses our language laboratory, video/DVD rooms, Individual Learning Centre, the internet café (with free emails) and bookshop. Also in the Paragon is the students' own clubroom and the school's own pub and restaurant – The Churchill Tavern. WHAT IS THE AIM OF OUR TEACHING?

Our basic objective is to teach you in a professional and caring manner as much useful English as possible whatever your length of stay, so enabling you to move successfully towards your own learning targets. Our Study Chart shows the progress through the various levels which you can expect to make – progress is dependent upon the number of hours studied each week and upon personal aptitude and motivation. You can choose to study for 15, 20 or 25 hours per week. The chart shows your current level, your examination opportunities, your main learning objectives and the work, study and life possibilities your new language skills will offer you.

At Churchill House we will:

- Assess your level prior to the course starting
- Consult with you on which course to take and how long to study
- Continually monitor and advise you on your progress.

ASSESSING YOUR LEVEL

We offer General English classes at 12 different levels ranging from complete beginner to very advanced, so you'll always be in a class with people of a similar level. Each level or module is a self contained course with sufficient work for an average learner to cover in 4 weeks. Successive modules interlock to form a continuous pathway through the English language – The Churchill House Module system.

You first complete an English Ability Questionnaire (part of the Enrolment Form), which the Course Director will use to decide which of the Churchill House Entrance Tests you should next complete – Elementary, Intermediate, Upper Intermediate or Advanced. These tests can be sent to you by post or you can download them from our website. When you arrive at Churchill House the results of the test and a personal interview will be used to confirm your first module level.

excellent quality - great value

COURSE CONSULTANCY

Knowing your level, our experienced Course Consultants will discuss the course options available and advise on the appropriate study path for you. The learning targets of our students vary – you may wish to improve your general fluency or take an examination course, to enter university or improve your career prospects. You may only be able to study for a few weeks or you may have a longer time available. We offer a wide range of courses with many starting dates and whatever your personal situation Churchill House will have a course for you. For specific course information please see page 8-14 and the Enrolment Form with its price and start date details.

MONITORING YOUR PROGRESS

Module courses start at the beginning of each month and are designed to last 4 weeks (2 and 3 week courses are possible). During a 4-week module course your teacher will display the syllabus and learning targets in the classroom and go through these with the class on a regular basis. Your progress will be checked in a number of ways and you will receive guidance and counselling.

■ Progress Tests

Progress Test 1 at the end of the first week to inform the teacher about the skill levels of all students in the class and which will enable the teacher to adjust teaching material or style of teaching as appropriate.

BE PART OF A FAMILY

In Ramsgate we have over 300 families, all personally inspected and classified. They are re-visited annually to ensure that the highest standards are maintained.

Our families are selected not just for their cleanliness and comfort but also for the friendliness with which they welcome you into their home. They will try their very best to help your English improve and do everything possible to make your stay happy and successful.

Ramsgate is not a large town so most of our families are within easy walking distance of the School.

HOW DO I CHOOSE MY FAMILY?

When you fill in your Enrolment Form there is a separate section for accommodation. You can choose between a single or shared room (shared with a student of a different nationality) and between half board and full board.

Half board. Breakfast and evening meal from Monday to Friday and all meals at weekends.

Full board. Breakfast and evening meals with the family and lunches in the school's restaurant from Monday to Friday. All meals at weekends with the family.

You also have other choices including whether you want to stay in a family with or without children, with or without animals, and who do or do not smoke. Most of our families accommodate 1 or 2 students, some families welcome 3. If you prefer to be more independent and have less family involvement some families can provide private accommodation for up to 5 adults.

Based on your choices, our accommodation manager uses a combination of a computer matching programme plus her personal knowledge to select the most suitable family for you. She sends details to both you and your English family so that, if you wish, you can contact them before you arrive.

Although we try very hard to choose the ideal family, if you are not happy, for any reason, we can always transfer you to another family.

excellent quality - great value

PAYING THE FAMILY

We will include your accommodation charges in the total fees quoted on your Certificate of Enrolment. You then make just one total payment to us and we pay the family on your behalf, so you have nothing more to worry about.

OTHER ACCOMMODATION OPTIONS

- The Royal Guest House, a small private guest house, 1 minute from the school.
- The Royal Harbour Hotel, more luxurious, with some rooms overlooking the sea, 5 minutes from the school.
- Bedsits, flatshares, self-contained flats.

You can also arrange your own accommodation and pay the School only for lessons. You may still use all the school facilities including The Clubroom and have free membership of the Social Club. But remember that you cannot privately book any of the families currently on our register.

LEARNING THROUGH LEISURE

At Churchill House we firmly believe that a successful language course does not just depend on excellent teaching and accommodation. A comprehensive and well organised leisure programme is equally important to help you:

- Learn how to speak English with native speakers.
- Practise English with other people in real situations.
- Make friends from all over the world, which in turn broadens your horizons.
- Promote your understanding of culture and tradition, which helps you learn the language more successfully.

SOCIAL CLUB ORGANISATION

Our Social Club team has many years' experience between them in organising leisure activities for students of English. Their objective is to make your learning through a leisure programme as successful and rewarding as possible.

Your teachers also get fully involved in the programme and it is this which has given Churchill House its wonderful reputation for mixing academic efficiency with informal friendliness.

DAY AND WEEKEND TRIPS

We offer a wide selection of day and weekend trips regularly throughout the year. Every trip is accompanied by an experienced member of Churchill House staff and you will receive a detailed itinerary or information pack to help you understand what you are going to see.
