Welfare & Support

The welfare of our students is extremely important to us. We know that a student needs to feel safe, happy and comfortable in order to 'love to learn'. We also recognise that the welfare needs of students are different according to their ages so we offer different levels of support to take this into account.

Juniors (12-17 years)

- All junior students receive a junior welcome pack, safety plans and ID cards
- Students can speak to LILA*'s nominated in-house Child Protection Officer anytime, all year round (24 hour emergency access)
- An in-house Welfare Officer and a Junior Centre Manager is available to help with any questions or concerns juniors may have
- All of LILA*'s accommodation providers are vetted and approved to accommodate junior students

Young adults (16-18 years)

- Listening adults are available specifically for young adults (CPO and Welfare Officers)
- A selection of weekly activities are arranged for young adults only
- LILA*'s Welfare Officer is available during 'welfare hour' to offer support or to chat

Adults (18+)

- A personal tutor is available to help all students
- LILA*'s Welfare Officer is available during 'welfare hour' to offer support or to chat
- One-to-one appointments can be made with LILA*'s Welfare Officer for private matters
- Planned weekly social activities are available

Culture

Liverpool has more theatres, museums and galleries than any other city outside of London. Visit the Walker Art Gallery, the National Gallery of the North, The Museum Of Liverpool and the Tate Liverpool situated at the Albert Dock. Liverpool is a UNESCO World Heritage Site. The city achieved the status in 2004 because of its impressive waterfront and rich maritime history. Take a trip on the famous Mersey Ferries and visit the Albert Dock, which alone has the largest collection of Grade I listed buildings in the UK.

Music

Liverpool has a rich musical heritage and is officially the World Capital of Pop. This began with The Beatles, and many local attractions commemorate the story of the most successful band of all time. 'The Beatles Story' is a brilliant tour through the Beatles' lives. There is also the 'Magical Mystery Tour', a guided tour that will take you to the most important places associated with the band.

World Capital of Pop!

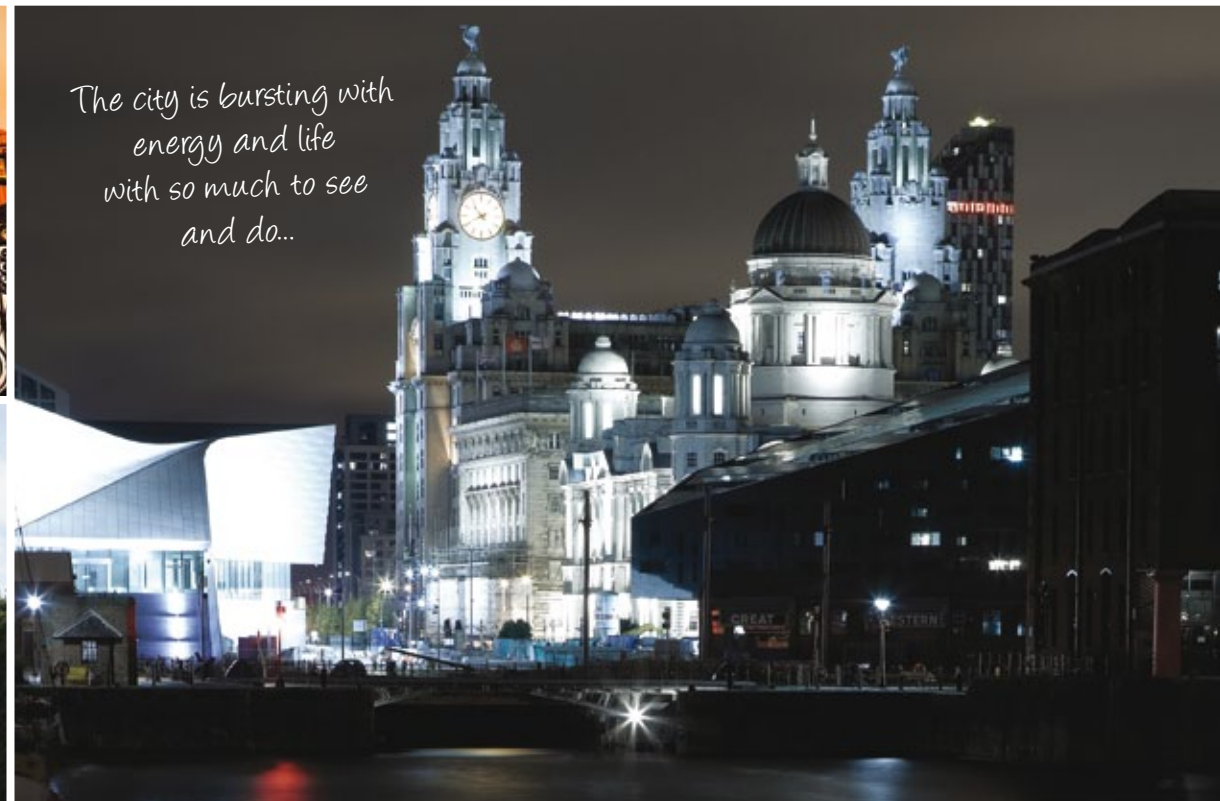

Liverpool is host to many music festivals staged in the city throughout the year, as well as offering classical music at the Liverpool Philharmonic Hall courtesy of the Royal Liverpool Philharmonic Orchestra. The Liverpool Echo Arena is an award-winning building located alongside the Grade I listed Albert Dock complex and World Heritage Site. It opened in January 2008 and has since played host to a string of international events, including the MTV Europe Music Awards, BBC Sports Personality of the Year, Cirque du Soleil and concert performances.

Sport

There is plenty for sports fans as there are two of the Premiership's biggest football teams here, Liverpool Football Club at Anfield and Everton Football Club at Goodison Park. The region is also home to England's Golf Coast, the finest stretch of championship golf in the world, hosting many Open Championships and Ryder Cups. The city also stages the biggest social event in the sporting calendar, the world-famous John Smith's Grand National each year at its Aintree Racecourse.

Liverpool loves sport!

Shopping

Liverpool is now home to fabulous shopping with the recent addition of the new Liverpool ONE shopping centre, right in the heart of the city. This shiny new designer shopping centre is world class, which is only fitting for a city that can shop 'til it drops.
