LSI Language Learning System

We're passionate about language learning. That's why we're constantly reviewing the latest trends and methodology in the field.

Academic staff from every LSI school participate in the research and development of our programmes. We ensure that the latest theories of language learning are considered and tested throughout our centres.

That's why every one of our schools is a healthy environment for learning. It also means that our students benefit from a massive academic team based throughout 17 schools in 7 different countries. Developed and refined over the last 40 years, the following points are fundamental to our language learning system:

Language Immersion

At LSI we believe that the best way to learn a language is to study in the country where the language is spoken. We want you to immerse yourself in the culture or as we say, 'live the language'. This is the most efficient and satisfying way to learn the language, and remains at the core of LSI's language learning system.

LSI Levels

Upon arrival at any LSI school, we'll give you a comprehensive language level test so we ensure you go straight into the right level for you. LSI levels have been closely matched against the Common European Framework, TOEFL iBT, TOEIC, IELTS and University of Cambridge examinations. To move up to the next LSI level you need to master our specific 'level objectives', which you can demonstrate by test scores and class participation.

At LSI we understand that some students learn faster than others, so our course is tailored for you as the individual. Through systematic testing and teacher appraisal, the school academic director will track your progress and will identify exactly when you have mastered the level objectives and are ready to move up to the next level.

Latest Materials

We're constantly reviewing the latest materials available for language learning. We provide you with what our academic team have identified as being the very best course books currently available for your level. We also provide you with the most cutting edge audio and video resources. We are committed to providing the latest technology inside the classroom: interactive whiteboards, projectors and an increasing emphasis on the internet.

Online Resources/Distance Learning

We understand that the internet is making profound changes to language learning. That's why we're committed to building an online community of language learners.

We have developed and continue to build a series of online resources that mirror the week by week in-class programme at each of our centres worldwide. Although these resources cannot replace the benefits of language immersion or the unique experience in the school, they are a comprehensive supplement to our in-class programme and can be used independently for distance learning. You can follow our programme online before arriving at the school and you can continue studying after leaving the school. For more details on how we're using technology to expand our programme, visit our website.

Cultural Exchange

We are proud of and committed to the cultural exchange that happens within our centres. As you 'learn and live the language' you will gain a greater understanding of the country that you are studying in. And as our students come from all over the world, our centres are not just places to learn languages, but are also places to meet people from other backgrounds and cultures. This is why our students find our programme to be such an enriching experience.

Quality Teachers

We understand that our students' single most identifiable measure of programme quality is the teacher. That's why at LSI we only work with the very best teachers; fully qualified with country specific teaching credentials, experienced and highly motivated.

We have a systematic programme of teacher development and performance evaluation. All of our students are regularly invited to provide feedback so that we can ensure that your teacher meets your expectations.

The ISY programme is offered at all LSI language centres (except Sliema) but please note that course options may vary between LSI centres. Some course options may only be available on the 30 lessons per week programme. We are happy to advise you as to which programme is most suitable for your needs.

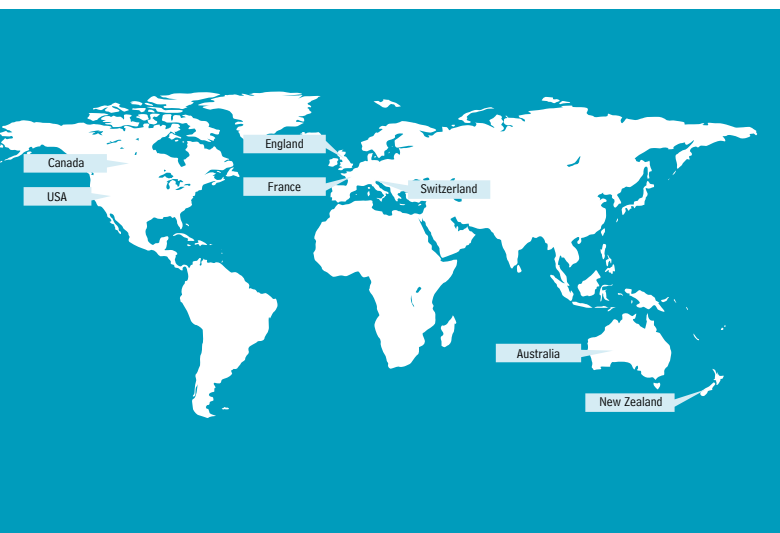

ISY and Your Expectations

As ISY courses are anywhere from 24 to 48 weeks in length we expect our students to achieve excellent results.

The level reached after an ISY course depends on a variety of factors:

- Duration of the course – the longer the course, the better the results
- Number of lessons – often a more intensive course taken in less time gives better results
- The language level of the students – the higher the language level, the more time it may take to advance to the next level

Final results will always depend on you, the student. Active participation in afternoon social activities, making new friends from all over the world, immersing yourself in the local culture, as well as speaking the target language as much as possible will have enormous results on your achievements.

LSI University Preparation: USA & Canada

The USA and Canada are the premier choices for hundreds of thousands of international students every year. With thousands of accredited institutions and programmes, you can select from a wide range of certificate and degree programmes in a variety of academic and social environments, from vibrant, dynamic cities to small, friendly college towns. The USA and Canada offer excellent programmes, cutting edge technology and an international faculty.

LSI counsellors will help you find the right university programme in the USA and Canada. We will evaluate your English level and academic background, discuss which universities are right for you and will set a plan of study at an LSI school to get you there. Our academic team will provide all the support you need and will track your progress carefully to ensure that you stay on course to achieve your desired university place.

Conditional Letter of Admission

A growing number of colleges and universities in the USA and Canada are offering conditional admission for international students. Conditional admission is perfect for students who are academically qualified, but need to improve their English skills before they begin their degree programmes.

How does Conditional Admission work?

If you apply to a college or university and you meet the academic requirements, but your English level isn't sufficient, you can be issued with a "Conditional Letter of Admission". This letter states that you have been accepted by the university and will gain your place as soon as you meet the English level requirement.

LSI will help you with the application process to obtain your Conditional Letter of Admission. Once you begin at LSI, we will help prepare you to meet the additional English language requirements for your college or university programme. Many of our partner universities accept students with LSI levels as proof of English, so there will be no need to take external tests such as TOEFL iBT.

For more information, speak to one of our counsellors today or visit our website.

Excellent teachers, friendly staff and a cordial atmosphere: these are the three important factors in choosing a language school. LSI is the best school with all of these advantages!

San Diego

Often called "America's Finest City", San Diego lies at the southern most point of California on a beautiful natural harbour along the 70 miles of Pacific coastline between Los Angeles and Mexico.

LSI San Diego

LSI San Diego is located in a modern building in the heart of the city, close to all amenities and within easy walking distance of such attractions as San Diego Zoo, the Gaslamp District, Balboa Park and the San Diego Bay. A student resource room in the building offers a library and multimedia computers for EFL self-study.

Leisure Programme

Fantastic weather and the city's proximity to beaches, islands, mountains and deserts mean that recreational opportunities abound in the San Diego region. Social activities include beach parties, surfing, sailing and even snow skiing, and organised trips to Los Angeles, Las Vegas and Mexico.

I like the teachers and I really enjoy the class. Also the staff are very friendly. I made a lot of friends from different countries. I recommend this school. I am sure you will love LSI San Diego.

LSI Brisbane

LSI Brisbane is located in a heritage building in the heart of this sophisticated yet relaxed subtropical city, close to shops, restaurants and public transport links. The school is fully airconditioned, and there are kitchen facilities on both floors, as well as a computer room with free internet access and a library for quiet study.

This is my second time at LSI Brisbane. I came back because it is a very good school. Both the teachers and the support staff are wonderful people.

English in Malta English Language Academy

Sliema

The Maltese Archipelago is situated in the middle of the Mediterranean. It has a mild climate with so much more to offer than just "Sun, sea and surf". Malta's history has left behind a rich blend of many cultures, visible everywhere, from the heights of the ancient capital Medina, to the depths of the pre-historic civilisation dotted around the islands.

LSI Sliema

The LSI-affiliated school English Language Academy is situated about 3 minutes walk from the promenade in Sliema and is within easy reach of restaurants, cafes and shops. It is one of the founder members of the Federation of English Language Teaching Of Malta (FELTOM). Our courses are run throughout the year, for adults, teenagers and even young children. Groups are small and attend to six levels of proficiency. Teacher training courses are available for experienced teachers, aimed specifically at primary/secondary school teachers of English as a second language. We are also licensed for the EU Socrates Programme for Educational Courses. The school is air-conditioned, with reference library and free internet services.

Leisure Programme

Besides our LSI Social/Leisure programme we can also organise excursions on Malta and her sister island Gozo.

Family Programme

Designed for parents who wish to combine a family holiday with their English studies, the LSI Family Programme allows parents to choose from a wide selection of adult courses whilst their children follow one of LSI's specialised young learner courses. A unique opportunity to study together as a family, this course represents an unforgettable, shared experience.

Leisure activities and teaching methods are specially adapted to suit both adults and children ensuring that all the family will have fun whilst learning. This programme is offered at our schools in London Hampstead, Brighton, New York, Toronto, San Francisco/Berkeley and San Diego. Qualifying age for the Young Learner Course varies according to the centre; please check course details and dates. LSI operates both the Adult and Young Learner courses at each of these centres with the exception of LSI Brighton:

LSI Brighton offers the Family Programme for students aged 5-12. Adults study in one of LSI Brighton's general programmes and children study at a BISS operated programme based on the Dorothy Stringer Campus (Mon-Fri, 9.00-16.00), just 30 minutes by bus from the school. The camp includes a fantastic range of activities, English lessons (15 hrs/wk) and a daily hot lunch. Supervised transport can be arranged to and from the camp for an additional cost. This programme is available from Jul 23 - Aug 17 2012. Contact LSI Brighton for more information, including accommodation options and availability.

Price per week per child: UKE330

Price per week including transport: UKE410

We had a lot of good in-depth discussions in class and I thoroughly enjoyed my stay.

LSI Executive Courses

LSI has over 40 years' experience in professional training and specialised language courses. We offer a wide range of courses. We will design a programme to meet your needs, whatever they are. Our language trainers use the latest teaching methods and are skilled at assessing your needs. They will establish with you a detailed course plan to help you achieve your objectives.

One-to-One

- 20, 30, 40, or 50 individual lessons per week
- Beginner to Advanced levels
- 1 lesson: 45 minutes (in the USA and Canada 50 minutes)
- Courses begin: every Monday

Individual tuition is the fastest way to learn a language. Whether you need general or specialised language, each course is designed for your needs and adapted to your rate of progress. It is the perfect option if you have specific targets or limited time. It is particularly convenient for professionals and executives preparing for a trip abroad, or negotiations and presentations in a foreign language. Our reputation for adaptability and flexibility means that your trainers respond to any further requirements you may have.

9 Day Compact Course

- 82 or 92 individual lessons
- 9 consecutive days
- Courses begin: every Saturday

For people with special aims which must be met in a short space of time. Requiring just one week away from the office, this course is ideal for busy professionals and executives who need to prepare for presentations and meetings abroad. The course includes lunch with your teacher, giving you the opportunity to work on your social language - also vital in a business situation.

Mini Group

- 20, 30 or 40 lessons per week
- Participants: maximum 5
- Minimum age: 21 years
- Intermediate to Advanced levels
- Course length: 1-4 weeks
- 1 lesson: 45 minutes (in the USA and Canada 50 minutes)
- Courses begin: every Monday

This course combines general grammar and skills development with an in-depth focus on the language of business. The small, intensive group provides the ideal opportunity to practise negotiation, presentation and meeting skills in a realistic situation.

Intercultural awareness is important in global business and communication. The international mix of our courses and experience of our teachers provides the perfect forum in which to gain this valuable knowledge.

Mini Group Plus One-to-One

Designed to complement the Mini Group, Plus courses are individual lessons flexibly arranged when you need extra help on a specific area or want to increase your rate of progress.

Sample course plans:

- 40 Mini Group lessons + 5 One-to-One lessons per week
- 30 Mini Group lessons + 10 One-to-One lessons per week
- 20 Mini Group lessons + 20 One-to-One lessons per week
- 2 weeks Mini Group (40 lessons per week) + 1 week One-to-One (40 lessons per week)

The goals set with my LSI teacher have been entirely achieved: a tailor-made individual course with emphasis on speaking and pronunciation and useful business vocabulary and idioms.

Olivier Kaeser, UBS Business Banking, Swiss-French

Executive Centres

LSI Executive Centres - Besides the LSI executive centre in London Central, other LSI language centres offer the following selection of executive courses:

London Central

Located in the very heart of London, the Centre is situated on the top floor of our central London school. A dedicated area is provided for executive clients to study and socialise in a calm and quiet environment. The centre is equipped with computers for client use, and complimentary tea, coffee and daily newspapers are provided. On arrival all clients receive a portfolio folder containing key business vocabulary and information on local attractions, amenities and leisure activities.

An exciting programme of social activities is organised especially for our executive clients, including theatre trips, restaurant evenings, guided walks, museum visits, and a weekly cheese and wine party. These activities help our clients to make the most of their time in London, and provide an excellent opportunity to practise English and meet like-minded professionals.

The Executive Centre is open on public holidays.

The combination of the Mini Group and One-to-One course to improve my English was very useful. We also had a very good atmosphere and the teachers were very flexible.
